SYNOPSIS

Five friendly Barkers' kids dream of winning the best Internet show contest with their original channel. The show gets a lot of likes and views, but The Barkers are still far from real Internet stars, such as Kitty Kate. Accidentally, Kate becomes their neighbour and makes friends with cheerful family but her mentoress sees the Barkers Team as competitors and is causing a rift among them. But friendship will always win! Even if they need to get inside the web, catch slimy viruses and stop the cunning intrigue, cats and dogs are unstoppable when they are together!

MAIN CHARACTERS: DOGS

The barkers are a family of five lovely kids who dream to become real internet celebrities. Little redhead lisa is a producer and her elder sister rosie is a true star of the show while their brothers are doing everything to escape and get their time playing digital games. sometimes the barkers do not see bone-to-bone but they always stand for each other!

MAIN CHARACTERS: CATS

Kitty cate is a true internet star but at the same time she is open, fair and ready to help. incredibly talented and hardworking, she feels a bit lonely and opressed by her strict mentoress. Kate is really happy to meet the barkers and their friends: mischievous but romantic smokie and ingenious and kind fluffy.

ANTAGONIST: ELLA

Ella is a cunning and manipulative character; she is doing everything to get her protegee to win the contest and conquer all the competitors. She is selfish and decisive and only the Barkers can stop her!
